HUSC offers soccer programs for children starting at age 4 to the 7th grade for boys and girls.

This is an 8 week program which is 1 practice during the week and a game on each Saturday

Practice and game schedules rotate during the week and game start times rotate on Saturdays

We always need Head coaches and encourage you to help us out in this area. We normally have a coaching clinic and with help from an assistant coach it really isn't that bad

Woodstock Program is for 4 year old boys and girls, Snoopy is for boys and girls that are in Kindergarden These two groups will start the Friday after labor day weekend 6:00 PM so they can participate in opening day cerimonies Saturday morning. After this first week all practices will be on Saturday morning

Other divisions are created by the grade your child is in starting September of 2009
